Occupational Therapy for healthy aging

Healthy Aging Hub at
North Richmond Community Health

Healthy Aging Hub

at North Richmond Community Health

Our Healthy Aging Hub team provides high quality health services for people who are 50 years and over.

Our experienced team will work with you in the specialised areas of Nutrition and Dietetics, Podiatry, Physiotherapy, and Occupational Therapy.

We can help you with day-to-day activities including house tasks, transport and taking care of yourself at home.

Our Occupational Therapists can help you with daily activities including:

- caring for yourself like showering, using the toilet and eating
- tasks around the home like cleaning and meal preparation
- getting around your home safely and preventing falls
- accessing the community like getting to the shops
- managing pain, fatigue and discomfort that limit your activity
- caring for someone who is frail, aged or disabled.

Our Occupational Therapists can provide advice about:

- day-to-day activities
- pressure care management
- wheelchairs, scooters and other equipment
- applying for funding to pay for equipment or home modifications.

We can give you advice and skills for completing daily activities that you are finding difficult.
