Healthy Aging Hub

at North Richmond Community Health

Our Healthy Aging Hub team provides high quality health services for people who are 50 years and over.

Our experienced team will work with you in the specialised areas of Nutrition and Dietetics, Podiatry, Physiotherapy, and Occupational Therapy.

Your feet can change over time. Our Podiatrists can help you manage these changes to improve your day-to-day life.

Our Podiatrists will work through a treatment plan tailored to your individual needs.

Our Healthy Aging Hub Podiatrists are here to offer advice and help with:

- cutting nails and removing hard skin
- blood flow and circulation
- nerve sensation testing
- finding the right footwear
- your walking style
- treating and managing foot pain
- exercise plans to assist with injury recovery
- foot orthotics to help with injury recovery and comfort.

It is common for your feet to change shape and size over time.

Some changes to your feet may also be related to diabetes and other diseases.

Our Podiatrists will assess your feet and legs and work with you through a tailored treatment plan.
